Description: A groundbreaking comparative study that illuminates the connections between the Qurān and the BibleWhile the Hebrew Bible and the New Testament are understood to be related texts, the sacred scripture of Islam, the third Abrahamic faith, has generally been considered separately. Noted religious scholar Gabriel Said Reynolds draws on centuries of Qurānic...

Review: Great commentary from Dr. Reynolds. I thoroughly enjoy his insights. He is careful with the Quranic text, and displays his vast research in Quranic theology/history. His consideration of biblical influence on the Quran is careful and respectful. As I read, I dont feel that Dr. Reynolds is undermining Islamic thought. I highly recommend this book....
